Storage cupboard pull-outs are indispensable in a modern kitchen. The system fittings not only provide storage options with lots of room, but also meet all of the requirements for a convenient storage space solution. This can be true all the way up to a chef pantry, in which two storage cabinets are installed adjacent to each other.

DETAILS

- ✓ Cabinet widths: 450, 500 and 600 mm
- ✓ Installation depth: min. 480 mm
- ✓ Installation height: 650 to 2140 mm
- ✓ EasyFit: toolless frame assembly on the lower runner
- ✓ EasyFit: toolless connection between the driver and support frame
- ✓ Individually height-adjustable baskets
- ✓ System payload capacity: front basket max. 20 kg (5 kg per basket), pull-out max. 80 kg (20 kg per basket)
- ✓ Storage versions: Classic, Saphir, Premea, Artline and Planero

BENEFITS

1. Optimal access
2. Complete overview at one pull
3. Time-saving
4. Additional storage space
5. Customisable height adjustment
