Disegnato per portare ordine sul top della cucina, il canale attrezzato in appoggio si può posizionare dove più si preferisce proprio perché è solo appoggiato sul top della cucina e fissato grazie ad uno speciale velcro che dà la possibilità di rimuoverlo ogni qualvolta ce ne sia il bisogno.

Proprio questa caratteristica di fissaggio, che evita lavorazioni sul top della cucina, lo rende particolarmente semplice da installare anche su una cucina già esistente. Equipaggiato con tutti gli accessori della linea BelNet 472, questo canale attrezzato è estremamente pratico e funzionale, portando carattere anche alle cucine più semplici.
