Mounted at door	
Unit width	min. 450 mm
Interior depth	min. 200 mm
Interior height	min. 434 mm

FEATURES

- › Two sturdy metal shelves and two hooks for buckets or cleaning cloths
- › The perfect place to store cleaning equipment and shoe-cleaning tools
- › Can also be used to store groceries and spices
- › Can be installed in high or low units, on the inner wall or on the inside of the door
- › An excellent addition to Sesam Standard for cleaning cupboards
- › Easy assembly – four screws are all you need
- › You can move the shelves and hooks around to suit your preferences
- › The shelves' bases are closed, which stops bottles from toppling and small items from falling through
