

# TRIO LARDER UNIT SYSTEM

Clear, organised storage, whatever your budget

## DESCRIPTION

Shallow fixed shelves coupled with three door shelves: just open the unit door to reveal Trio's unique, user-friendly layout. Since the top shelves are split, you have an excellent overview of all your groceries and spices. Large pots and heavy kitchen appliances can be stored on the two extendable Extendo shelves at the bottom of the unit.

## FEATURES

- › When the unit is opened, the system offers a full over-view and direct access
- › Two Extendo pull-out shelves provide an excellent over-view and immediate access to heavy pots and kitchen appliances
- › Easy front access and a full view of all shelf contents when fully extended
- › Uses every last inch of space across the entire width of the unit
- › Everything in the unit is easy to reach – even items stored on the top shelf, since the shelves are only half the depth of the unit
- › Smaller groceries and spice jars in the door shelves
- › Bigger bags and groceries on the shelves inside the unit
- › The door shelves can be fixed in place with just two screws
- › The shelves' rounded corners and edges make them easy to clean
- › Suitable for units with standard hinges (front panels with handles or handle-free front panels with Push-to-open system)
