

POINT

Your style, our design

About us

Since 1988, we have been producing chairs, tables, and furniture accessories. Our headquarters, along with 45,000 square meters of facilities, are located in Gorgo al Monticano, near Treviso and Venice.

The high level of technology, thanks to continuous investments in automation, allows us to ensure large volumes and consistently high quality. Our expertise is well-established in working with steel and aluminum. Thanks to constant research and development, we are able to offer our customers increasingly sustainable products that combine design, quality, and functionality.
